

Building a Better Future

For many women and children in our community, crisis arrives without warning-leaving them without safety, stability, or support. The Lighthouse exists to change that. Our mission is to provide a Christ-centered refuge where families can find safety, healing, and tools to rebuild their lives.

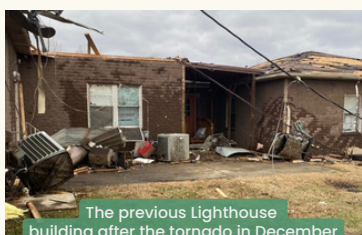

"Let your light shine before others, that they may see your good deeds and glorify your Father in heaven."
Matthew 5:16

In December 2021, The Lighthouse's original facility was destroyed by a tornado, but the mission to serve women and children has never stopped. With the support of volunteers, partners, and donors, The Lighthouse is rebuilding at the former Budget Inn on Broadway in Mayfield, Kentucky. The new shelter will offer individual rooms, family suites, and inviting shared spaces designed to provide safety and stability. It will also include transitional housing to help families continue their journey toward independence.
